## Looking to get your child involved in Golf?

The Golf Club at Camelot will be hosting 5 weeks of Junior golf programs.

### Option 1 JUNIOR CLINIC:

(5) one hour lessons given on the driving range where children will learn basics skills of golf along with rules of game and golf etiquette. This clinic is more focused lesson time for beginners.

### Option 2 ADVANCED JUNIOR LEAGUE:

For the more advanced level of players that may need less of an introduction to golf and more of a one-on-one on course skill development.

Each junior that signs up in either program will receive a 9 hole weekday golf pass and 2 for 1 range ball coupons.

Golf is a timeless sport and learning at a young age is always a great idea. This is a good step for your children to learn the basic skills needed to gain a better knowledge of the game of golf.

- ~ Etiquette
- ~ Rules
- ~ Sportsmanship
- ~ General Skills
- ~ FUN!
